

Covid 19 Response Plan Appendix March 2021

Return to work form to be completed by staff.

Infection Prevention Control Measures

To prevent Introduction and Spread of COVID-19 in Schools

- Advise staff and pupils to self-isolate or restrict their movements at home if they display any signs or symptoms of COVID-19 and contact their family doctor to arrange a test
- Advise staff and pupils not to return to or attend school in the event of the following:
 - if they are identified by the HSE as a close contact of a confirmed case of COVID-19
 - if they live with someone who has symptoms of the virus
 - If they have travelled outside of Ireland; in such instances staff are advised to consult and follow latest Government advice in relation to foreign travel.
 - Advise staff and pupils to cooperate with any public health officials and the school for contact tracing purposes and follow any public health advice in the event of a case or outbreak in the school.

Hand Hygiene

- Alcohol-based sanitiser must not be stored or used near heat or naked flame

Physical Distancing

- Ventilation

The Department has published guidance setting out the practical steps for good ventilation in accordance with public health advice 'Practical Steps for the Deployment of Good Ventilation Practices in Schools' The guidance sets out an overall approach for schools that windows should be open as fully as possible when classrooms are not in use (e.g. during break-times or lunch-times (assuming not in use) and also at the end of each school day) and partially open when classrooms are in use. The guidance 2 provides that good ventilation can be achieved in classrooms without causing discomfort, particularly during cold weather.

Dealing with a suspected case of Covid-19

School staff should be encouraged to download the HSE COVID-19 tracker app to assist Public Health for contact tracing purposes both in and out of the school setting.
